

Creating/Logging In

➤ When you are ready, go to www.missouristatetix.com and under "Purchase Athletic Tickets" select "Click here for My Tickets - Access for Digital Tickets"

Click "Sign Up" and be sure to enter the email address that you provided. Or if you have created an account already just login.

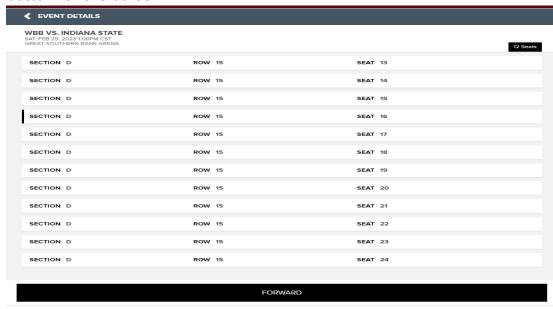

- **When you log in for the first time, you will be asked to accept the terms of the My Tickets website**
 - > Please review your contact information by clicking on the "My Account" tab in the top right-hand corner. This will help ensure we have accurate records.

Forwarding Tickets

Once you have logged in just click on the game under the "My Upcoming Events" in the top right corner or click on the "View Tickets" in the middle of the screen.

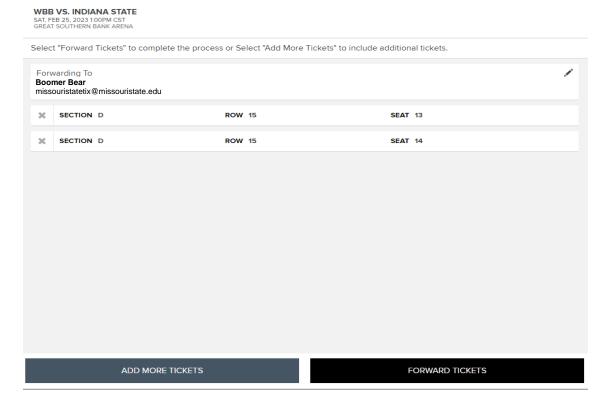

Now you are ready to forward your tickets to your guests. Just click on the "Forward" button at the bottom of the screen. You will then have the option to select however many seats you are wanting to send to your guest. Just check mark the box for each ticket(s) and then click "Choose Friend" at the bottom of the screen.

➤ If this is the first-time forwarding tickets, you will need to click "Add Friend" at the bottom of the screen. A window will pop up allowing you to enter your guest's information. Please note your guests will have to create a My Tickets account and they will need to give you the same email address they used to create the account. If they give you a different email, then they won't be able to access the tickets until a merge of their duplicate accounts is processed. Once your finished click "Create Friend".

Once you have created/selected who the tickets need to go to you just need to click the Forward Tickets button.

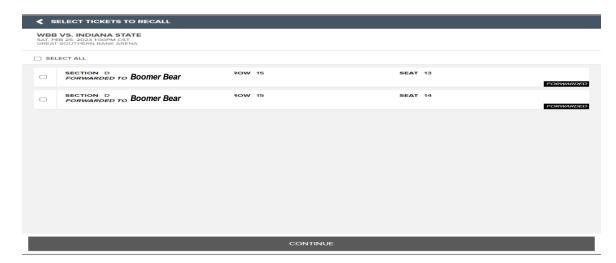

You have successfully forwarded a ticket. If you need to recall a ticket you had sent so you can then send to someone else, just click on the seat(s) you are needing to recall and then click "Recall" at the bottom of the screen.

Or if you are needing to recall multiple tickets click on the "Ticket Actions" at the bottom of the screen and select Recall. Now you will see a screen where you can check mark multiple seats to recall.

Accessing Your Digital Ticket

- From your phone scan the QR Code below. If you already created a My Tickets account prior to this year, you would not need to create a new one just log in as normal to access your Digital tickets. If you have not created an account previously, please use the email that you provided to your team rep when creating your account. If you use a different email, then what you provided to the team you will not receive your tickets until a merge of your multiple accounts is processed. Please note the the following:
 - "Digital Ticket" is on your <u>phone</u>. Just log in and have the ticket(s) on your screen and they will be scanned.
 - Its HIGHLY encouraged that you access your ticket(s) PRIOR to arriving to the GSB Arena as cell towers and Wifi hotspots can get overloaded.
 - If you are using an iPhone and wanting to put the tickets into your Apple Wallet you must use Safari as your web browser in order to add to your wallet.

e you have logged into your account.

Once you have logged into your account, simply tap on the game, then tap on the seat. From this screen you will be presented with a barcode for the ushers to scan. If you have multiple tickets you can tap the "Next Ticket" to access your next bar code or if you have an iPhone you can tap the "Add to Apple Wallet" option to access your ticket from there.
